OMICRON UPSILON OMEGA CHAPTER

FAREWELL TO OUR "FIRST" FIRST LADY

SHE IS SOMEBODY

It takes **SOMEBODY** with courage and perseverance to lead
To analyze the problem and address the need
To guide the group and make the right choice
Yet allowing each opinion and concern to be voiced.

It takes **SOMEBODY** to clear dissension in the air
While steering the group to a decision that's fair
SOMEBODY has to keep the calm
When the rest of the group may be in alarm

Endurance and control are certainly the test
When **SOMEBODY** tries to give the group their best
But that **SOMEBODY** holds on like the best of us
Because her group knows, it is her they trust

We **AKA's** have a secret that's dear
Our **SOMEBODY** is **JACKIE ROSIER**
Although you've chosen a home a few miles away
We know it's with us your heart will stay

We simply want to say, without much fuss
JACKIE ROSIER, you'll be missed
And you're **SOMEBODY** to us.
