Welcome to the World of Picture That LLC

This proposal was custom designed for your facility, taking into consideration the art criteria specified in our PROJECT DESIGN FORM.

Framing specifications include mounting each work of art, matting, a frame of your choice, non-glare glass, and shipping unless otherwise specified. Installation services can also be arranged.

Please review the contents of this proposal, keeping in mind that all recommendations can be further refined to meet your color scheme and art preference requirements.

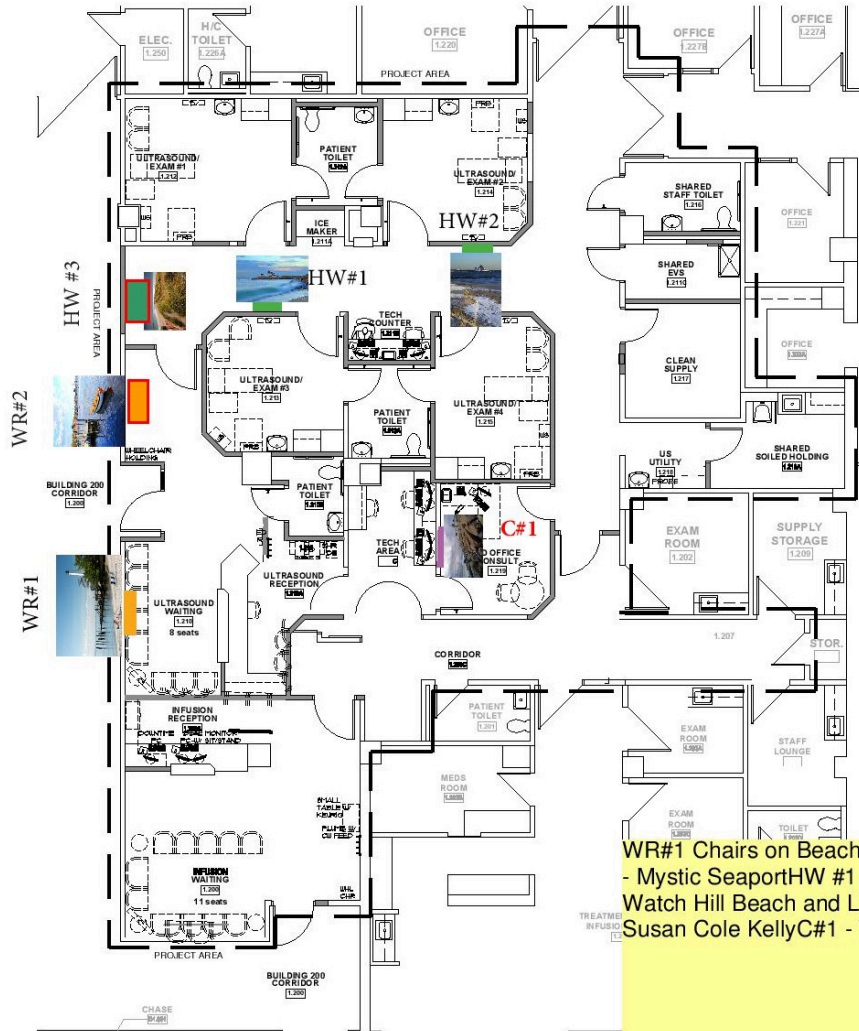

We welcome your feedback and look forward to working with you on this project!
