

Cancer Center at Park Avenue (A-F)

Bridgeport Hospital broke ground on a new **Comprehensive Outpatient Cancer Center** at Park Avenue in Trumbull in Fall 2014. The state-of-the-art facility will house doctors from Smilow Cancer Hospital and an expanded branch of the Norma Pfriem Breast Center. The new cancer center will allow patients to receive world-class treatment close to home. The rendering below, right depicts the garden level which will allow all patients and staff to view the Healing Garden.
